All items must stay near their designated display, unless they are to be purchased. Items are not to be thrown or played with unless purchased.

Character Presentation:

Our characters love to interact with children at the party. They will take photos, dance and play. The characters can not see behind them, so we ask parents to make sure children are not playing behind the character. While interacting our characters love hugs and even pets. They do not like to be pulled or hit. Please make sure children are gentle while interacting with the Pokemon.

We offer a staff member to facilitate card trading. All cards brought into the store must be real Pokemon cards. If you are not sure if your cards are real. Classes:

All classes have a teacher, however we are not a drop off facility or daycare. Parents are required to stay on the premises during the event. We encourage parents to resist the urge to help and give the child a chance to do it on his/her own. In the event the parent wishes to help please make sure you are not sitting in another child's place, blocking their view or the view of other parents. We also ask that parents whether watching or helping are not blocking the aisle way or the teacher from being able to reach students..
